**Student Log In process**

**Once you have received you log in information follow the following steps**

1. Go to the following site, www.coloradodls.org
2. Select Go To Class in the upper right of the web page

3. Complete the Login in Information and select **Login – Be sure to remember you login and password**

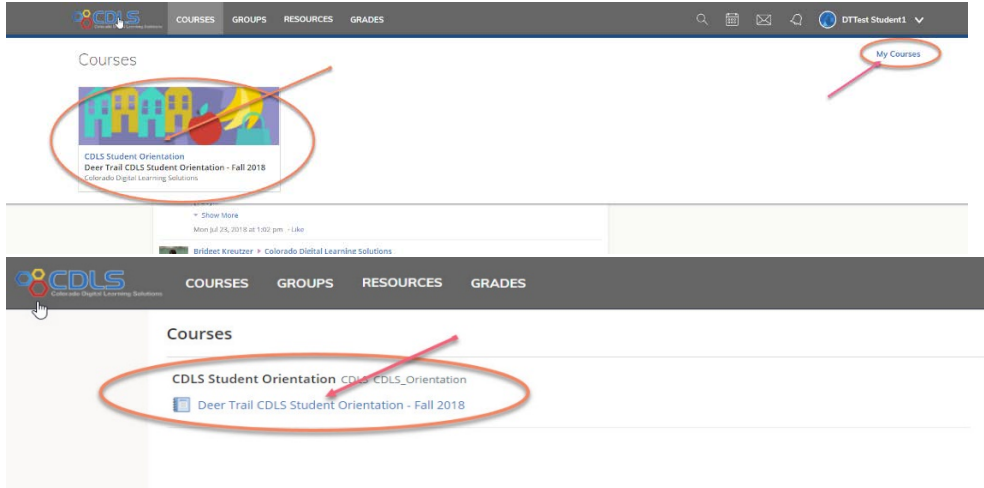

4. You will be taken to your **Dashboard** where you will see the courses you are registered to take. This area will also have messages sent to you and you will be able to send message to your school here. There is also a system calendar that will keep you update
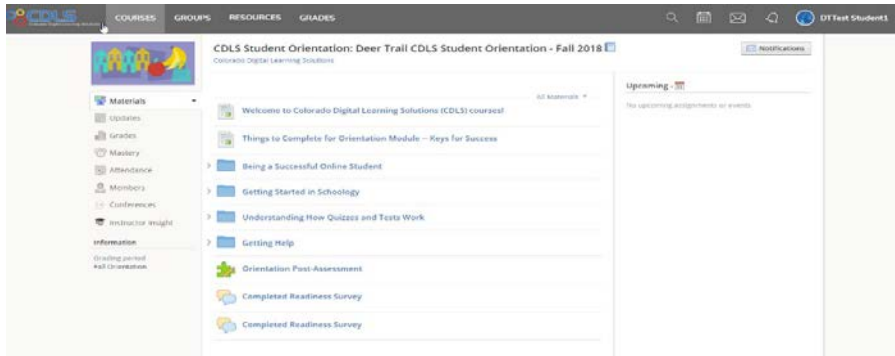

5. After you select the course in the above screen you will be directed to the Learning Management System(Schoology) where your courses are located. When you see the screen below select **Courses.**

6. When you select **Courses** in the screen above you will see the following screen. Selecting the large course icon will take you directly into you course. Selecting the **My Courses** on the right will give you a list of all courses you are taking.

7. Selecting either of the options above will take you directly into your course(s)

8. If you need support when you are in your course select **Support** at the bottom of the course area.
